

CHILD MARRIAGE

WHAT IT IS

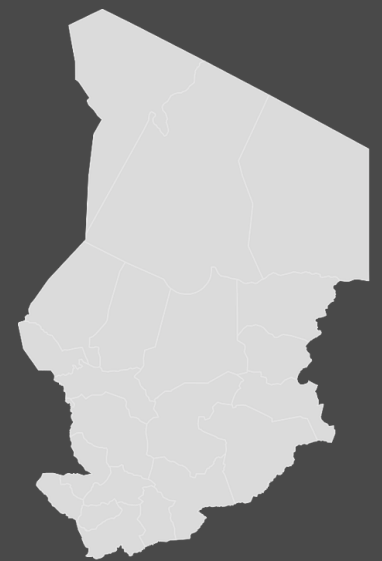

Child marriage is the formal union between a child and an adult or another child and is a violation of basic human rights. Child marriage is a strong indicator for systemic inequality.

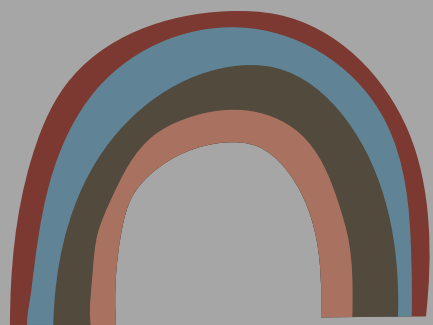

297

out of every 1000 girls in Chad are married by age 15.

That's almost 30%.

THE IMPACT

Child marriage has devastating consequences for girls because it puts an end to their education, impacts their physical well-being and often results in pregnancies before the girls are physically mature.

Girls Not Brides

brings together over 1300 organization with the mission to end child marriage so girls can reach their full potential.
